

《푸에블로》호  
The Pueblo

조선민주주의인민공화국 권안의 보통강기슭에 있는 조국해방전쟁 승리기념관 야외전시장에는 미제의 무장간첩선 《푸에블로》호가 전시되어있다.

주제57(1968)년 1월 23일 조선의 항구도시 원산앞바다에서 조선인민군에게 나포된 무장간첩선 《푸에블로》호는 미제의 침략모략책임을 그대로 드러낸 증거물이다.

당시 미제는 《푸에블로》호가 원산앞바다에 거머들여 간첩행위를 하다가 쫓겨 뺏기고 조선인민군 해군함선에 나포되자 《원산폭격》, 《전쟁불사》 등 《군사적보복》을 떠들면서 북해공군의 방대한 무리들까지 공화국주변에 집결시켰다.

그러나 보복에는 보복으로, 전면전쟁에는 전면전쟁으로 대담할것 이라는 공화국정부의 강경하고 원칙적인 대응앞에 미제는 자들의 죄행을 인정하고 사죄하지 않으면 안되게 되었다.

근 반세기가 흐른 오늘도 영웅적조선인민앞에 손을 들 미제의 함복시마냥 수치스러운 불굴로 떠있는 미제의 무장간첩선 《푸에블로》호는 조선의 자주적권리를 침해한다면 그 누구도 《푸에블로》호 선체를 면치 못한다는 불변의 진리를 역사에 새겨주고있다.

On show outside the Victorious Fatherland Liberation War Museum built on the bank of the Pothong River in Pyongyang, the Democratic People's Republic of Korea, is the US armed spy ship *Pueblo*.

Captured by the Korean People's Army in the waters off Wonsan in Korea on January 23, Juche 57 (1968), the *Pueblo* is an evidence of the US imperialists' espionage acts.

At the time when their spy ship was captured by the KPA Navy while committing acts of espionage, the US imperialists dispatched their huge troops of the army, navy and air forces around the Korean peninsula, clamouring about "military retaliation" like "bombing on Wonsan" and "ready for war."

The United States, however, could not but acknowledge and apologize for their criminal acts to the DPRK government that declared its resolute and principled counteractions to retaliate against the retaliation and return all-out war for the all-out war.

Nearly half a century has elapsed, but the US armed spy ship *Pueblo* mooring on the river serves as a letter of surrender of the US to the heroic Korean people, and teaches the truth of history that if anyone infringes on the DPRK's sovereignty he would never escape such a miserable fate as that of the *Pueblo*.

《푸에블로》호는 미중앙정보국에서 직접 파견한 무장간첩선으로서 배에는 아주精良하고 현대적인 여러가지 침략설비들이 설치되어있었다.

선원들이 가지고있던 지도에는 공화국북부인 군사기지들이 표시되어있었으며 위치기록부에는 1967년 12월에 상부의 명령을 받고 일본의 사세보항을 떠나 조선의 항해에 여러차례 침입하여 침략행위를 하였다는것이 상세히 적혀있었다.

The *Pueblo*, armed spy ship dispatched by the Central Intelligence Agency, was equipped with state-of-the-art espionage facilities. On the crew's maps are represented the military bases of the DPRK, and the position register book shows that the ship was ordered to leave the Sasebo Port of Japan in December 1967 and made several intrusions into the territorial waters of the DPRK to commit acts of espionage.
